Mission Statement:

*It is the desire of Soaring Eagles Christian Academy (SECA) to train the youth of today in the highest principles of Christian leadership, self-discipline, individual responsibility, personal integrity and good citizenship. These principles are taught using an excellent traditional academic curriculum, as well as providing educational accommodations for students who fall through the cracks or fail in a conventional academic classroom. **Students who have not seen success in other schools are given the opportunity to not only succeed, but to excel at Soaring Eagles Christian Academy.***

SECA does not receive state funding nor does it have any parent organization supporting it. It relies solely on the contributions of businesses and other concerned individuals to help with its support.

In order to keep the costs of this educational opportunity as low as possible and to continue giving discounts to those families with lower incomes, we are asking businesses and individuals to help these children by making contributions to SECA.

Anything you donate is tax deductible and is appreciated very much.

Understanding the importance of Soaring Eagles Christian Academy's contribution to children in Pickens County as well as its neighboring counties, and desiring to support its endeavor to help these children, I/we pledge to help SECA in its campaign to raise funds for its program by contributing the following:
